Employee Preferences Survey begins Monday at Marshall

On Monday and Tuesday, NASA employees will receive information on taking the computer-based Employee Preferences Survey. This is an Agency-wide research initiative to help shape improvements in NASA's recruitment and retention programs. All surveys are completely confidential and will be administered by an outside organization. The survey is not mandatory, but Vicki Novak, NASA assistant administrator for Human Resources, urges all employees to participate by Jan. 5. For more information, see "Inside Marshall."
